THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 80-251-E - ORDER NO. 84-629  
August 7, 1984

IN RE: Small Power Production and Co-       )  
generation Facilities - Imple-       ) ORDER  
mentation of Section 210 of the       ) ALLOWING  
Public Utility Regulatory Policies ) INTERVENTION  
Act of 1978       )

On July 30, 1984, the Public Service Commission of South Carolina (the Commission) received a Petition to Intervene filed on behalf of Hopewell Power Company ("Hopewell") in the instant proceeding. The time for filing the Petition to Intervene has expired. However, the Commission, in this proceeding, is desirous of receiving evidence and information from all interested parties. Also, the time for filing Petitions to Intervene was established prior to a postponement of the scheduled hearing. Therefore, the Commission finds Hopewell should be allowed to intervene at this time and that said Petition should be accepted. Hopewell should take note of the previous orders in this docket, the requirements of prefiling of testimony by them, and the scheduled hearing date of September 12, 1984.

BY ORDER OF THE COMMISSION:

  
7/100 Chairman
